

Reprocessed GSMaP products list in Sep. 2023

JAXA/EORC GSMaP Real-Time Office

15th September 2023

Thank you for your utilization of our dataset, "JAXA GSMaP (Global Satellite Mapping of Precipitation)".

There were issues for reprocessed data of GSMaP MVK and MVK_gauge v8 released in July 2023, so the data were reprocessed.

The product version of the reprocessed data was changed 'V8.0000.0' to 'V8.0000.1'. For users who have already download them, please re-download them.
